

Greetings IWS Members!

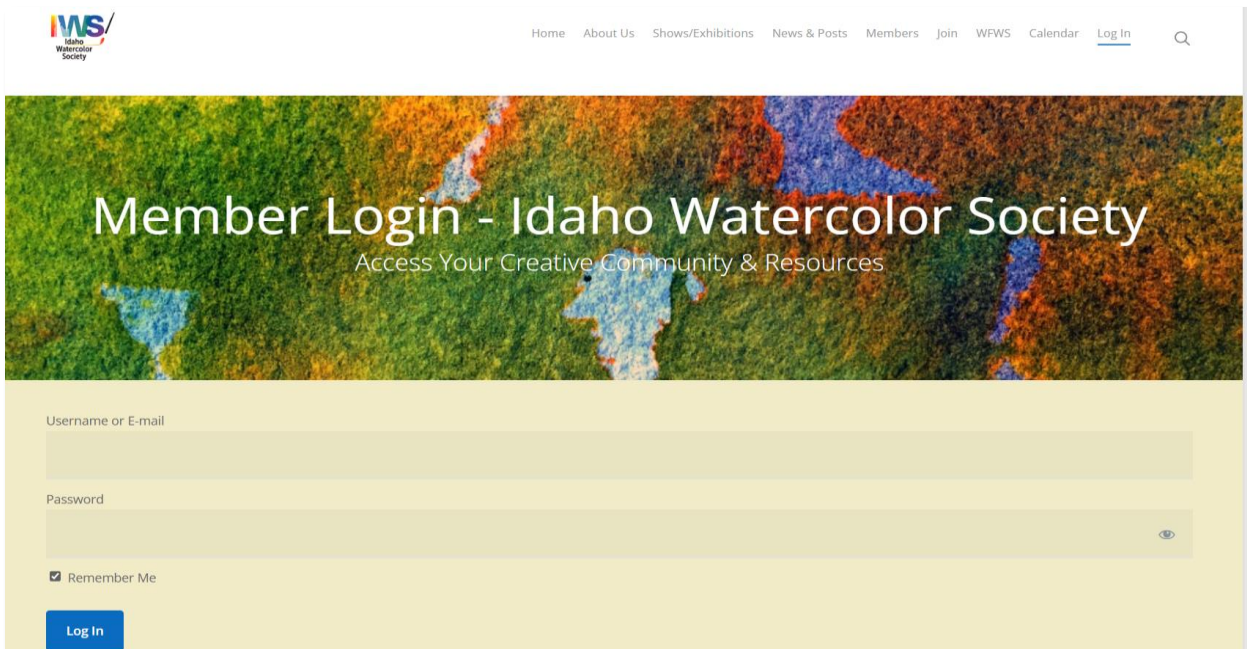

The new membership year is upon us with renewals beginning this month, October, for year 2025.

Renewal is different using the new system on the IWS website, so we have outlined the steps to make it easy for you.

To begin, go to the **Log In** menu option and logon using your email address and password.

The membership log on page will appear. Fill in your username and password, then click on the **Log In** button:

After you have logged on, the main page will appear with the option, **Renew My Membership**, at the top. Click on it.

Selecting to renew your membership will open the following form. Based on your current membership type, your membership will be bolded. In my case, I have an Active membership. Currently, if you want to change your membership type, select a different one on the list. The options may change based on how you originally signed up for your membership.

Renew at this level or select another option.</p>

Note: If you are a Dual IWS PAPI Member, who signed up for your membership through PAPI's website, and you want to renew your membership on the PAPI website, an additional link **Renew on Plein Air Painters of Idaho** will appear on the list of membership options, select it. Note that it will open the PAPI website on a new tab in your browser. Follow PAPI's renewal instructions from there and exit out of this process on IWS by clicking on the **Home** menu option **from the main menu of the IWS website**. Your renewal at PAPI's website will be communicated back to IWS. Please allow time for the communication to occur between the two organizations. If you want your Dual Membership to be renewed instantly, renew here at IWS by selecting Dual IWS PAPI Member from the list and follow the remaining steps in this document.

Based on what you selected, the following sign-up page appears.

Renew Active Member Sign-Up

All watercolor painters maintaining primary residence in the State of Idaho are eligible to become active members of the Society. To retain active status, a member must be current on dues and enter work in a society-sponsored show at least once every three years (including open shows). Active members shall have full voting privileges and be eligible to serve on the Board of Directors. Any active IWS member who moves out of the state may continue to be a member of IWS so long as such member pays their dues annually and maintains their full, active member status. A Dual IWS and Plein Air Painters of Idaho (PAPI) membership is also available.
