Categories of Membership

- **Active Member:** All watercolor painters maintaining primary residence in the State of Idaho, or in cities with a 20-mile adjacency to the Idaho border are eligible to become active members of the Society. To retain active status, a member must be current on dues and enter work in a Society sponsored show at least once every three years (includes open shows). Active members shall have full voting privileges and shall be eligible to serve on the Board of Directors. (Cities that fit these criteria include Clarkston, Ontario, Spokane, and Missoula).
- **Dual IWS and Plein Air Painters of Idaho (PAPI) Member:** As a Dual Member, you'll enjoy the full spectrum of IWS benefits, including participation in exclusive exhibitions and total voting rights.
- **Full-time Student Member:** This membership designation is open to any student wishing to belong to the Idaho Watercolor Society. Cost of this membership is \$15 and entitles the member to participate in all privileges of active membership as long as full-time student status is maintained.
- **Associate Member:** Associate membership is open to Idaho residents and non-residents. Only Associate members who maintain a primary residence in Idaho shall have voting rights and shall be eligible for election to a Board position other than President and Vice President. There are no exhibition requirements for this membership. Associate members may enter only regional or statewide open (non-juried) shows.
- **Affiliate Member:** Any non-painter interested in helping with the administration of the IWS on a volunteer basis may become an affiliate member and shall not have to pay dues. Affiliate members do not have voting privileges.
- **Donor Member:** Open to any person interested in financially supporting the promotion of aqua media.
