

# **Rust & Corrosion-IWS Watercolor Workshop**

Instructor Linda Aman [www.amanarts.com](http://www.amanarts.com)

**IWS Workshop in Twin Falls, ID**

**Workshop Location Herrett Center, 315 Falls Avenue, Twin Falls, ID 83301**

**Saturday September 19<sup>th</sup>**

**9am-4pm**

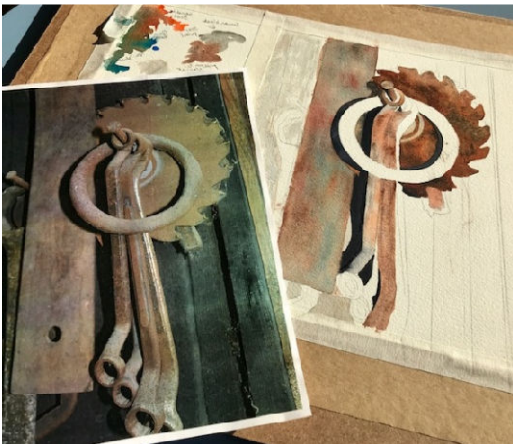

**15 artist spaces available**

**Discover the beauty of age, weather, and texture in watercolor. Join Linda as she demonstrates how to create the look of rust, corrosion, and timeworn surfaces using unexpected color combinations and granulating techniques. Explore rich textures, layered effects, and expressive watercolor methods that bring character and history to your paintings.**

**Reference materials will be provided, and students are welcome to bring their own photos and watercolor supplies.**

**Please bring one stretched 1/4 sheet of Arches watercolor paper. (Let Linda know if you need paper prepared). [linda@amanarts.com](mailto:linda@amanarts.com)**

**Linda will have granulating paints to borrow in class.**

**Saturday, September 19th 9:00 AM–4:00 PM**

**Location: Herrett Center Library**

**Fee: \$45 (this is a discounted price for IWS, generally \$95.00)**

**To register: Contact Scott Muscolo [scottmuscolo@gmail.com](mailto:scottmuscolo@gmail.com), 805-795-0252**

**Instructor: Linda Aman – Aman Arts**
