

43rd Annual Capitol Rotunda Art Show

The Idaho Watercolor Society invites its members, including Associate Members, to participate in the 43rd Annual Capitol Rotunda Art Show! Each spring, this longstanding exhibition brings original watercolor artwork into the Idaho State Capitol, connecting visitors from across Idaho and beyond with the creativity and talent of our state's watercolor community. Displayed on the

Capitol's fourth-floor Rotunda, the exhibition offers artists a unique opportunity to share their work with a broad public audience in one of Idaho's most recognizable public spaces.

Registration opens December 1 through ArtCall. This is a non-juried exhibition, with entries accepted on a first-come basis for up to 75 paintings. The show has been filling more quickly each year, so artists are encouraged to register early. **Register and view the full prospectus:** <https://iwsrotundashow43.artcall.org>. Please review the complete prospectus for all eligibility requirements, presentation guidelines, shipping instructions, and show details before entering.
